Objective

Motivated, with a strong work ethic and ability to organize and collaborate as part of a team, I would like to propose my skills to provide a professional and quality work.

Skills

- Create dynamic web applications with **JavaScript** and **React**.
- Develop a dynamic web user interface with **PHP** and **Symfony**.
- Create databases with **MySQL** and **JSON**.
- Implement components in content **management applications**.
- Create layouts with **Figma**.
- Choose a technical solution adapted to customers and work in **Agile method**.

Professional experience

• 3D Animator - Blue Spirit Canada - Montreal - 2019-2020
- Work with the supervisor to create 3D character animations for TV series such as Tom Sawyer and Zoom the White Dolphin.

• 3D animation teacher - Itecom Art Design and Com'Art - Paris - 2013-2019
- Teach the principles of animation, how body mechanics work and familiarize students with mime and performance.

• 3D Animator - Bullit Studio - Montreuil - 2018
- Animate different actions for several animals (bison, snake, puma, bear, lynx, beaver, deer, eagle) and export to Unity for an augmented reality project.
